The woman is on the right, wearing a vibrant red t-shirt and blue jeans, also smiling back over her shoulder. FIT DONE RIGHT

From the smallest children's size to the largest adult, Fruit of the Loom makes garments for everyone. There are different cuts for men, and while our kids' styles can be worn as unisex, some also feature a specific girls' fit too.

All our measurements are based on actual "to fit body" sizes, and are not the garment measurements. For example, a Fruit of the Loom Polo with a chest-to-fit size of 92-97cm/36-38" will fit someone with those chest measurements. Similarly, jog pants with a to-fit-waist measurement of 86cm/34" is designed for somebody with those body waist measurements.

And the great news? Whichever fits and sizes you choose - both kids and adults - colours match across the collection. So for times when that's important to your customers, everyone can wear the exact same shade.

CLASSIC OR FASHION? WE'VE GOT A FIT FOR BOTH

Across our T-shirt collection we use two different fits for our adult men's styles.

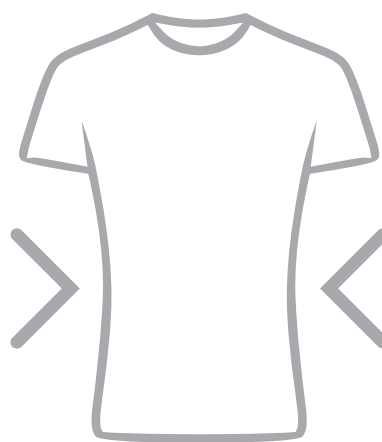

Our Valuweight, Original, Super Premium, Heavy, Iconic 195 Ringspun Premium and Iconic 150 Classic Long Sleeve T's are all cut in a Classic Fit: a little roomier in the body and around the shoulders and arms.

For a more contemporary or Fashion Fit, check out our Baseball, Ringer, Iconic 150 and Iconic 150 V-Neck T's. Slimmer in the body, a little shorter, more fitted in the sleeves and around the shoulders with a narrower neck rib depth; choose the fit that works best for the look you want.
